

We are pleased to announce that a good portion of the Pinckneyville orientation process for the upcoming school year is available through MealpayPlus! We have automated the orientation process and placed it online in hopes of bringing back the true focus of Open House – *less paperwork* for our parents and *more interaction* with your student’s teachers.

Online orientation via MealpayPlus will be available beginning 7/22/2011. In order to improve the open house experience, all parents are strongly encouraged to complete the following steps **prior** to open house on 8/4/2011:

- **If you already have a MealpayPlus account**- simply log-in at [www.MealpayPlus.com](http://www.MealpayPlus.com) by entering your Username and Password.
- **If you do not have a MealpayPlus account**- visit [www.MealpayPlus.com](http://www.MealpayPlus.com) and select “Register a Free Account”. Use your child’s student ID number to complete registration.
- Upon sign in, you may view/print the necessary paperwork to complete your 2011-2012 school orientation. Once you acknowledge that you have read these documents, you may continue to the next screen. You will then be allowed to pay fees and make contributions for various items such as supply contributions, clinic donations, school meals, etc. Simply select the fees/contributions for which you would like to pay and continue through the payment process.

We consistently strive to find new and better ways to serve our students and our families, and we thank you for partnering with us in this effort. Please visit [www.MealpayPlus.com](http://www.MealpayPlus.com) prior to August 4 to make sure your student is prepared for open house and for the first day of school.
